

ARMADA DATA CORPORATION

MANAGEMENT INFORMATION CIRCULAR October 1, 2010

SOLICITATION OF PROXIES

This Management Information Circular is furnished in connection with the solicitation of proxies by the management of Armada Data Corporation ("the Corporation") for use at the annual meeting (the "Meeting") of shareholders of the Corporation to be held on the 24th day of November, 2010, at the hour of four o'clock, in the afternoon, Toronto time, at 5710 Timberlea Boulevard, Suite 201, Mississauga, Ontario L4W 4W1, and at any adjournments thereof for the purposes set out in the accompanying Notice of Meeting. While the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone or facsimile by the regular employees of the Corporation at nominal cost. The cost for solicitation will be borne by the Corporation.

VOTING OF PROXIES

All common shares represented at the Meeting by properly executed proxies will be voted and where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the common shares represented by the proxy will be voted in accordance with such specifications. In the absence of any such specifications, the management designees, if named as proxy, will vote in favour of all the matters set out herein.

The enclosed form of proxy confers discretionary authority upon the management designees, or other persons named as proxy, with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters which may properly come before the Meeting. At the date of this Management Information Circular, the Corporation is not aware of any amendments to, or variations of, or other matters which may come before the Meeting. In the event that other matters come before the Meeting, the management designees intend to vote in accordance with the judgment of the management of the Corporation.

Proxies, to be valid, must be deposited at the office of the Registrar and Transfer Agent of the Corporation, Computershare Trust Company of Canada, 510 Burrard Street, 3rd Floor, Vancouver, British Columbia, V6C 3B9, not less than 48 hours, excluding Saturdays, Sundays and holidays, preceding the Meeting or an adjournment of the Meeting.

APPOINTMENT OF PROXY

The persons named in the enclosed form of proxy are directors and/or officers of the Corporation. A shareholder has the right to designate a person (who need not be a shareholder of the Corporation) other than Paul Timoteo and James Matthews, the management designees, to attend and act for him at the Meeting. Such right may be exercised by inserting in the blank space provided, the name of the person to be designated and deleting therefrom the names of the management designees or by

completing another proper form of proxy and, in either case, depositing the form of proxy with the Registrar and Transfer Agent of the Corporation, Computershare Trust Company of Canada, 510 Burrard Street, 3rd Floor, Vancouver, British Columbia, V6C 3B9, not less than 48 hours, excluding, Saturdays, Sundays and holidays, preceding the Meeting or an adjournment of the Meeting.

REVOCATION OF PROXIES

A shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy.

A shareholder may revoke a proxy by either: (a) depositing an instrument in writing, executed by him or his attorney authorized in writing at the offices of the Registrar and Transfer Agent of the Corporation, Computershare Trust Company of Canada, 510 Burrard Street, 3rd Floor, Vancouver, British Columbia, V6C 3B9, prior to the close of business on the day preceding the date on which the Meeting is to be held or any adjournment thereof, or with the Chairman of the Meeting before any vote in respect of which the proxy is to be used shall have been taken; or (b) attending the Meeting in person and registering with the scrutineer as a shareholder personally present.

NON-REGISTERED SHAREHOLDERS

Only registered shareholders of the Corporation or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, shares beneficially owned by a person (a "Non-Registered Holder") are registered either: (i) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the shares of the Corporation (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101, the Corporation will have distributed copies of the Notice of Meeting, this Management Information Circular and the form of proxy or voting instruction form (collectively, the "meeting materials") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders. Intermediaries are required to forward the meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries often use service companies to forward the meeting materials to Non-Registered Holders. In circumstances where a Non-Registered Holder has provided instructions to an Intermediary holding the shares in an account on behalf of the Non-Registered Holder that the Non-Registered Holder does not object, for that account, to the Intermediary disclosing ownership information about the Non-Registered Holder ("Non Objecting Beneficial Owner" or "NOBO"), the Corporation may send the meeting materials directly to such NOBOs. Generally, Non-Registered Holders who have not waived the right to receive meeting materials will either:

- (i) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. In this case, the Non-Registered Holder who wishes to submit a proxy should properly complete the form of proxy and submit it to the Corporation, c/o Computershare Trust Company of Canada, 510 Burrard Street, 3rd Floor, Vancouver, British Columbia, V6C 3B9; or

- (ii) be given a form of proxy which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “proxy authorization form”) which the Intermediary must follow. Typically, the Non-Registered Holder will be given a page of instructions that contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company; or
- (iii) be given a voting instruction form, in which case the Non-Registered Holder should complete the voting instruction form and submit it to the Corporation, c/o Computershare Trust Company of Canada, 510 Burrard Street, 3rd Floor, Vancouver, British Columbia, V6C 3B9.

In either case, the purpose of these procedures is to permit Non-Registered Holders to direct the voting of the shares of the Corporation they beneficially own. Should a Non-Registered Holder who receives a form of proxy wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the persons named in the proxy and insert the Non-Registered Holder or such other person’s name in the blank space provided. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.**

A Non-Registered Holder may revoke a proxy authorization form (voting instructions) or a waiver of the right to receive meeting materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary is not required to act on a revocation of a proxy authorization form (voting instructions) or of a waiver of the right to receive meeting materials and to vote which is not received by the Intermediary at least seven (7) days prior to the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or Executive Officers (as such term is defined hereunder in the section, Executive Compensation) of the Corporation, nor any person who has held such a position since the beginning of the last completed financial year of the Corporation, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors or the appointment of auditors.

The holders of common shares of record at the close of business on the record date, set by the directors of the Corporation to be October 12, 2010, are entitled to vote such common shares at the Meeting on the basis of one vote for each common share held, except to the extent that:

- (a) such person transfers his shares after the record date; and
- (b) the transferee of those shares produces properly endorsed share certificates or otherwise establishes his ownership to the shares;

and makes a demand to the Registrar and Transfer Agent of the Corporation, not later than ten (10) days before the Meeting, that his name be included on the shareholders' list. A complete list of the shareholders entitled to vote at the Meeting will be open to examination by any shareholder, for any purpose germane to the Meeting, during ordinary business hours for a period of ten (10) days prior to the Meeting, at the offices of the Corporation's Transfer Agent, Computershare Trust Company of Canada of 510 Burrard Street, 3rd Floor, Vancouver, British Columbia, V6C 3B9.

To the knowledge of the directors and Executive Officers of the Corporation, the following table sets out the name of each of the persons who beneficially owns, or controls or directs, directly or indirectly, shares carrying more than 10% of the voting rights of the outstanding common shares of the Corporation as of September 30, 2010.

The current members of the Corporation's Audit Committee are Messrs. Fred Marotta (Chairman), Gregory Harris and Rob Montemarano. Certain disclosure concerning the Audit Committee in accordance with the requirements of Form 52-110F2 of National Instrument 52-110: Audit Committees, is attached hereto as Appendix "A".

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

For the fiscal year ended May 31, 2010, the Named Executive Officers of the Corporation were each paid a base salary of \$75,000, plus a bonus of \$16,060. For the current fiscal year ending May 31, 2011, the Named Executive Officers will each be paid a base salary of \$78,000 per annum, which represents a 4% increase over the previous year. In addition, bonuses will be based on 15% of the net income for the immediately preceding quarter, allocated as a management bonus to be divided equally amongst the three Named Executive Officers, to be paid at the end of each fiscal quarter. Each Named Executive Officer is also paid, either directly or indirectly, a car allowance, totalling \$7,200 per annum.

The Corporation's process for determining executive compensation is based largely on Board discussion. Given the relatively modest base salary for each of the Named Executive Officers, the Board determined that a bonus to be paid based on net income of the Corporation would be appropriate to reward each Named Executive Officer and further tie in their compensation with the success of the Corporation.

Summary Compensation Table

The following table sets forth the compensation earned during the last fiscal year by the Named Executive Officers.

For the purposes of this Management Information Circular:

“Executive Officer” of the Corporation means an individual who at any time during the financial year was (a) a chair, vice-chair or president of the Corporation; (b) a vice-president of the Corporation in charge of a principal business unit, division or function including sales, finance or production; or (c) performing a policy-making function in respect of the issuer.

“Named Executive Officer” or “NEO” of the Corporation means each of the following individuals: (a) a Chief Executive Officer; (b) a Chief Financial Officer; (c) each of the Corporation’s three most highly compensated Executive Officers (other than the Chief Executive Officer and the Chief Financial Officer), at the end of the most recently completed financial year and whose total compensation was, individually, more than \$150,000.00; and (d) each individual who would be an NEO under (c) but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity at the end of that financial year.

Termination and Change of Control Benefits

There are no employment contracts between either the Corporation or its subsidiaries and the Named Executive Officers.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The Corporation grants, and has in the past granted, to directors, employees and consultants of the Corporation options to purchase common shares subject to and in accordance with the prevailing policies of the TSX Venture Exchange. Options are granted based on the assessment by the board of directors of the Corporation of the optionee's past and present contribution to the success of the Corporation. None of the directors or Executive Officers of the Corporation, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of such persons, are or have been indebted to the Corporation at any time since the beginning of the Corporation's last completed financial year.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

For purposes of the following discussion, "Informed Person" means (a) a director or Executive Officer of the Corporation; (b) a director or Executive Officer of a person or company that is itself an Informed Person or a subsidiary of the Corporation; (c) any person or company who beneficially owns, or controls or directs, directly or indirectly, voting securities of the Corporation or a combination of both carrying more than ten percent (10%) of the voting rights attached to all outstanding voting securities of the Corporation, other than the voting securities held by the person or company as underwriter in the course of a distribution; and (d) the Corporation itself if it has purchased, redeemed or otherwise acquired any of its securities, for so long as it holds any of its securities.

- (a) the Informed Persons of the Corporation;
- (b) a proposed nominee for election as a director of the Corporation; or

Acquisition of Business of Cybernetfinder Corporation

In July 2010, the Corporation purchased the information technology and web services business of Cybernetfinder Corporation. The assets of Cybernetfinder Corporation were purchased for \$200,000. Cybernetfinder Corporation was a corporation incorporated under the laws of Canada with its principal place of business at 3034 Palstan Road, Suite 305, Mississauga, Ontario, L4Y 2Z6.

The purchase of assets from Cybernetfinder Corporation involved an Informed Person since the spouse of Mr. Eli Oszlak (a director and officer of the Corporation) was a 50% shareholder of Cybernetfinder Corporation.

The transaction was completed in accordance with the Policies of, and with approval from, the TSX Venture Exchange.

MANAGEMENT CONTRACTS

Management functions of the Corporation and any subsidiary thereof are not, to any substantial degree, performed other than by the directors or Executive Officers of the Corporation or any subsidiary thereof.

CONFLICTS OF INTEREST

Conflicts of interest may arise as a result of the directors and officers of the Corporation also holding positions as directors and/or officers of other companies, and situations may arise where the directors and the officers will be in direct competition with the Corporation. Messrs. Matthews and Timoteo are directors, officers and indirect shareholders of Lease Busters Inc., a retail automotive sale and leasing business. Lease Busters Inc. is currently not a direct competitor with the Corporation but there may be changes in circumstances or business operations that could result in an overlap of certain portions of the business operated by Lease Busters Inc. and the Corporation. In addition, Messrs. Timoteo and Matthews work for both Lease Busters Inc. and the Corporation and conflicts may arise with respect to their ability to devote sufficient time to both businesses. Conflicts, if any, will be subject to the procedures and remedies under the *Business Corporations Act* (British Columbia).

STATEMENT OF CORPORATE GOVERNANCE

Background

The TSX Venture Exchange Corporate Finance Manual ("TSX-V Policy") describes the qualifications which must be met by directors and management of the Corporation and prescribes the minimum corporate governance standards required to be implemented by all issuers listed on the TSX Venture Exchange. As the TSX-V Policy prescribes minimum standards only, some of the corporate governance practices maintained by the Corporation are broader than those prescribed by the TSX-V Policy.

Duties and Responsibilities of the Board of Directors

The directors of the Corporation are responsible for the stewardship of the Corporation. The Board reviews the strategic plans presented by management on a periodic basis and monitors the management of the principal risks faced by the Corporation in relation to its business and operations.

Other Board Committees/Nomination of Directors/Orientation and Continuing Education

Given the size of the Corporation and the Board, the Board does not have any committees other than an Audit Committee. The Board does not have a committee responsible for proposing new nominees to the Board, nor does it have a formal orientation and education program for new recruits to the Board. Rather than assigning these matters to a committee, the Board as a whole has the responsibility for developing the Corporation's approach to these governance issues.

When new directors are considered, the entire Board acts as an ad hoc nominating committee. New Board members meet with senior management of the Corporation to review the business and affairs of the Corporation.

Ethical Business Conduct

The Board encourages and promotes a culture of ethical business conduct.

Compensation

The Board as a whole determines compensation for the directors and the CEO. However, when the compensation for the CEO is set, Mr. Matthews abstains from voting.

Assessments

The Board does not have a specific formal process for assessing the effectiveness of the Board and the individual directors. Rather, the entire Board monitors its effectiveness and the performance of individual directors.

PARTICULARS OF MATTERS TO BE ACTED UPON

Appointment Of Auditor

Philip Gigan, Chartered Accountant of 45 St. Clair Avenue, Suite 200, Toronto, Ontario, M4V 1K6 became the auditor of the Corporation upon completion of the Corporation's reverse takeover transaction on October 30, 2000. The shareholders will be asked to consider, and if thought fit to pass, an ordinary resolution appointing Philip Gigan as auditor of the Corporation for the ensuing year to hold office until the close of the next annual meeting of the Corporation. It is proposed that the remuneration to be paid to the auditor of the Corporation be fixed by the Board.

The management designees, if named as proxy, intend to vote the common shares represented by any such proxy for the appointment of Philip Gigan, Chartered Accountant, of Toronto, Ontario as auditor of the Corporation at a remuneration to be fixed by the Board, unless the shareholder has specified in his proxy that his shares are to be withheld from voting in the appointment of auditor.

OTHER MATTERS

Management of the Corporation is not aware of any other matters to come before the Meeting other than as set forth in the Notice of the Meeting. If any other matter properly comes before the Meeting, it is the intention of the persons named in the enclosed form of proxy to vote the shares represented thereby in accordance with their best judgment on such matter.
